Mr. Perron- We are in receipt of your Sunshine Law request pertaining to Administrative Hearings.

We do not possess any documents in response to your first 3 questions. Our vendor is able to run reports to extract the data you are requesting, however, there would be a charge of \$240.00. If you wish to proceed, please send payment made payable to "City of St. Louis" to my attention at the below address.

In response to your questions in no. 4, I have attached an RFP that this office released in 2013 that should answer your questions.

Best regards,
