To whom it may concern,

This is a request for records under the Missouri Sunshine Law, Chapter 610, Revised Statutes of Missouri.

I am requesting a list of all contracts entered into by the City of St. Louis Treasurer's Office from 2017-present. Such contracts should include any contracts or agreements for legal, financial, accounting or other consulting services, complete with a listing of all authorized sub-contractors working on behalf of the city under the prime contractor/consultant with whom the city has entered into its agreement. Additionally, any contracts for goods, including hardware, software, data services or management, technical services and/or labor performed by non-city employees during the specified periods.

The Missouri Sunshine Law requires a response within three business days. If access to the records I am requesting will take longer than this time period, please contact me with information about when I might expect copies or the ability to inspect the requested records.

Please provide me with a written estimate of any costs and fees before processing this request. Feel free to send responses to me at stfox33@gmail.com

Sincerely,
