Subject: KMOV records request

Debbie,

Steve Perron here with KMOV. I would like to request the following records related to the issuing of parking tickets in St. Louis:

- The number of citations/tickets issued for 'parking too far from the curb' for the years 2015, 2016 and 2017
- A copy of any instructions, direction or guidelines issued to ticket agents as to how such citations are to be issued, including how they are to determine the distance at which a vehicle is parked from the curb.

As usual, we are requesting this information in digital form – if possible – and since this request is being made in the interest of the general public we would request that fees be waived.

Thanks,

Steve Perron
