The proprietary contents of this proposal and associated documentation are intended solely for use in the procurement process and may not be disclosed except to persons who are involved in the evaluation of the proposal or award of the contract. The contents may not be duplicated, used, or disclosed in whole or in part for any purpose except the procurement process. Release of Conduent proprietary, confidential, and trade secret information would place Conduent at a serious and irreparable competitive disadvantage in future procurements by providing competitors with information that Conduent maintains strictly confidential and which is unavailable to any third-party except under restrictions contained in a nondisclosure agreement or protections that cover this information under applicable law. If a third-party makes a request for disclosure of any of the contents of the proposal, you are requested to notify Conduent immediately so that Conduent will have an opportunity to provide assistance in protecting the proprietary contents of this proposal from unauthorized disclosure.
