

To: Whom it may concern,

We are the Department of Public Works, City of Indianapolis, and have been working with Conduent since 2010.

Conduent is in a favorable position with us as we have had a satisfactory experience with them on our project and its financial responsibilities.

We believe they would be financially responsible for any normal business obligations.

Thanks,

A handwritten signature in black ink that reads "Alan K. Bacon, Sr." with a stylized flourish at the end.
