Subject: New Sunshine request for Parking Division materials / McPherson Publishing

Hi again Shirley — hope you had a good weekend. I'd like to make a new Sunshine Law request to the Custodian of Records in the City of St. Louis Treasurer's Office under RsMo 610. (This request is separate from my previous request dated July 20.)

I request copies of the following:

- All bids received by the Treasurer's Office in response to its April 2019 Request for Proposals covering "Parking Management - Software, Meter Maintenance, Collections, and Parking Violations Bureau." Please include all attachments and exhibits submitted by the bidders.
- A summary of total payments to Xerox State & Local Solutions Inc. and its successor company, Conduent Inc., for fiscal years 2015, 2016, 2017, 2018, 2019 and 2020. If such summaries are not available, please provide copies of all invoices submitted to the Treasurer's Office by Xerox State & Local Solutions and Conduent from January 2015 through May 2020, per the terms of Xerox's agreement with the Treasurer's Office dated Jan. 19, 2015.
- Signed agreement with EDC Corporation to provide a Ticket Processing System to the Parking Supervisor, along with all exhibits and attachments. The EDC agreement is referenced in section 4 of the Treasurer's 4/10/20 agreement with Hudson and Associates.
- All meeting materials for Parking Commission meetings, including meeting minutes, for Commission meetings on the following dates:
 - May 22, 2020
 - April 21, 2020
 - April 3, 2020
 - Feb. 10, 2020
 - Jan. 30, 2020

Including this "fine print" as well, just in case it's relevant:

I am a reporter with McPherson Publishing, and this request is made as part of news gathering and not for commercial use. Pursuant to Section 610.026.1(1) RSMo., I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest.

Also pursuant to Section 610.026.1(1), if there will be fees associated with providing the requested material, please provide an estimate of the cost first before compiling the records. If there are fees, please provide a breakdown of costs.

Wherever possible, please provide the records in electronic format pursuant to 610.029 RSMo.

Please respond to the request as soon as possible and not later than three days after the receipt of this request. If access is not granted immediately, please provide a detailed explanation of the cause for further delay and the place and

earliest time and date that the records will be available for inspection, pursuant to Section 610.023.3 RSMo. This period for document production may exceed three days for reasonable cause.

If you deny this request, please cite the portions of the Sunshine Law which permit the non-disclosure of the requested material, pursuant to Section 610.023.4 RSMo.

Many thanks for considering my request.

Kind regards

Jack Grone
