Subject: Request for records

Good afternoon,

This is a request for records under the Missouri Sunshine Law, Chapter 610, Revised Statutes of Missouri.

I request that you make available to me the following information: the total annual revenue collected by the Parking Division from 2010 to 2017 (I know 2017 will be an incomplete figure, since we have a couple of weeks left in the year). I do not need a breakdown by lot or by month - just the total amount collected by the division each year since 2010 through meters, violations and city garages.

I request that all fees for locating and copying the records be waived. The information obtained through this request will be used for newsgathering purposes.

Thanks very much for your time and help,

Celeste Bott
