Hi Mike- The attached report that was previously provided to you on March 6, 2023, and again on March 22, 2023, is responsive to your request. This report was downloaded some time between receipt of your request (March 6) and our response (March 9). It was current at that time. The third column is the year that the account was established and funded with the \$50 seed money. You are able to manipulate the data in the excel spreadsheet to filter and group by program year.
