How To Make A Deposit

How to Make Deposits in Person

Contributing cash into a College Kids program account is as easy as visiting any local Alltru Credit Union branch or Shared Branch outlet.

For location information, visit TheBetterWayToBank.org and click "Locations". To find your nearest Shared Branch location, simply enter your location information and click the "CO OP Shared Branch" box or visit co-opcreditunions.org/locator. Branch employees will not be able to offer you any balance information. All balance information can be found by logging in at stlofe.org/collegkids.

You can make cash deposits by providing the teller with these two items:

- Your student's name
- Your student's account number (branch employees will not be able to provide you with this information)

How to Make Check or Money Order Deposits by Mail

You can "Bank By Mail" if you simply want the convenience of banking from your home.

Make your check(s) or money order(s) payable to your student and include his or her account number found on the Account ID Card in the memo section of the check.

Send your check or money order (never send cash through the mail) to:

Alltru Federal Credit Union
Attn: College Kids
1232 Wentzville Parkway
Wentzville, MO 63385

How to Use Direct Deposit

Direct deposit is a service that can automatically deposit funds from any regularly scheduled payment, such as your paycheck, into your student's savings account. It's convenient and saves you from having to worry about lost or stolen checks.

Simply visit www.stlofe.org/collegkids and download the Direct Deposit Form.

Once completed, submit the form to your company's Payroll department (or other payor, such as Social Security).
