Subject: Public Records Request for ARPA Guaranteed Basic Income (GBI) Data and Evaluation Request for Proposals
Attachments: image001.png; image002.png; image003.png; image004.png; image005.png

Greetings,

Hope this email finds you well.

My name is Carlos Lopez and I work in the Government Division of California Creative Solutions Inc.

It's my understanding that The City of ST. Louis issued a solicitation for ARPA Guaranteed Basic Income (GBI) Data and Evaluation Request for Proposals, which was due on 6/2/2023.

I need records for the opportunity mentioned above, but I'm not able to find where or how to request them, so I kindly request -if possible- that you correctly point me to how to obtain them.

We are keen on obtaining specific records related to this solicitation:

1. The Bid Tabulation/Scoring Sheet used for evaluating vendors and selecting the winning proposal.
2. The Winning vendor's proposal(s).
3. The complete set of Request for Proposal (RFP) documents.
4. Any relevant Purchase Order(s) issued in association with this solicitation.
5. The awarded Contract(s).

We would appreciate it if you could facilitate these records or guide us to the appropriate channels for obtaining them.

We kindly request these records to be provided in digital/electronic format, and please inform us in advance of any potential fees.

Thank you for your time and cooperation.

Best Regards,

Carlos Lopez Rodriguez
