Ms. Rukcic,

Attached is a request from the Attorney General's Office dated June 19, 2025, addressed to the Comptroller's Office. When I requested the records provided in response to items 1 and 2, the comptroller's custodian said those would be provided by the Treasurer's Office. I spoke with Treasurer Layne briefly yesterday and he said those records would indeed be records in the possession of the Treasurer's Office.

Given that, I am requesting those same records:

1. "All check images and bank statements from all bank accounts associated with the Sheriff's Department between January 1, 2025, and the date of this request"
2. "All check images and statements from funds associated with the Sheriff's Department and administered by the Comptroller between January 1, 2025, and the date of this request"

Thank you,  
Austin
