Subject: Document request

Shirley, as per our conversation, I was wanting to request any and all documents pertaining to the treasurers parking lot in Soulard for the open bid this year... I would like disclosure of the agreement, rent, stipulations... I would also would like to request the names of everyone involved in making the decisions and final vote... furthermore, if you could, please include both applications from us and the winning bid that would be great... Not sure if you have any written out rules of how the decision process was made but if you could include those that would be helpful as well! Thank you very much Shirley and if you need anything from me, you can call me at 314-757-7566 Sent from my iPhone
